

ROSTYLE WHEEL CENTRE CAP MIDGET

Top quality original type bright finish centre cap to fit the Rostyle wheel found on all steel wheel Midgets from 1970 onwards. Supplied individually - order four for a car set. Features a personalised, self-adhesive satin finish black and silver 'MG' logo which may be removed to regain original appearance if desired.

Simply clips securely in place in the wheel centre to lift the appearance of your wheels immeasurably.

Why not go that extra mile and purchase a Club Midget Rostyle wheel renovation kit, supplied complete with aerosol paints and easy-to-use spray painting masks to achieve that smart factory finish - see recommendation below.

Also recommended are a locking wheel nut set to prevent your wheels and tyres from being stolen, plus a personalised 'MG' anti theft design valve cap set to complete the picture.

Easy to fit. Simply clips in place.

No tools required.
