

## RENOVO HOOD SHAMPOO (300ML)

For cleaning of double duck or mohair soft tops, freshening appearance and helping to preserve the soft top's overall condition. The best product for your MG's soft top care, available in a 300ml aerosol.

Renovo Hood Shampoo and Pre-Cleaner removes grime and ingrained dirt without impairing the appearance of the soft top's fabric and is suitable for all colours.

It is recommended for preparation and pre-cleaning of the soft top before application of Renovo Hood Reviver and Renovo Hood Ultraproof.

Owned and managed by a car enthusiast, Renovo has a range of car soft top care products that have proved to be highly effective in their application, so much so that some are used in widely diverse areas - boat and awning restoration to name just two.

*Easy to use.* Apply foam evenly with aerosol, starting at the centre of the hood working out towards the edge. Leave for 10-20 minutes to ensure the cleaner can work on difficult grime and stains. Scrub using warm water and sponge, cloth or bristle brush until dirt is being removed easily. Finish by rinsing off with water. Repeat process if necessary.

*Basic hand tools required.* Bucket of warm water, plus sponge, cloth or bristle brush.
