

ULTIMATE CARPET SET MGB GT 1965-67

The Ultimate carpet set is the best quality, best fitting and most complete carpet set for the 1965-67 MGB GT (3 synchro gearbox models). Ultimate features include moulded and pre-shaped gearbox tunnel and rear wheel arches (so easy to fit!), integral soundproofing on all relevant carpet pieces. All fixings are included for D.I.Y. installation.

Each carpet set comprises neatly tailored, bound and soundproofed carpets for front footwells (with stitched-in heel mat to drivers side), rear footwells, front footwell sides (front tunnel), moulded gearbox tunnel, battery cover, rear seat back, tail light covers and rear load floor, plus plain carpets for sills, heelboard, moulded rear wheel arches and rear wings.

Available in seven colour schemes and a choice of two model fitments: right hand drive or left hand drive models. The very best, most luxurious carpet set for your deserving MGB GT. The Ultimate.

Easy to fit. Every carpet in the set is very easy and reasonably quick to install, thanks to the gearbox tunnel and rear wheel arches being precision-moulded to match the complex curvature of the corresponding panels in the bodyshell.

Basic Hand tools required. Pliers, tack hammer or similar required to clinch 'Veltex' fasteners into footwell carpets. Upholstery adhesive (aerosol or brush-on) required for sills, rear wheel arches etc.
