

ULTIMATE CARPET SET MGB ROADSTER 1968-80

The Ultimate carpet set is the best quality, best fitting and most complete carpet set for the 1968-80 MGB (4 synchro gearbox models). Ultimate features include a moulded and pre-shaped gearbox tunnel (a dream to fit), integral soundproofing on all relevant carpet pieces.

All fixings are included for D.I.Y. installation.

Each carpet set comprises neatly tailored, bound and soundproofed carpets for front footwells (with stitched-in heel mat to driver side), rear footwells, front footwell sides (front tunnel), moulded gearbox tunnel, and battery cover, plus plain carpets for sills, heelboard and rear wheel arches.

Available in ten colour schemes and a choice of two model fitments: right hand drive or left hand drive models. The very best, most luxurious carpet set for your deserving MGB. The Ultimate.

Moderate skills required. The majority of the set is very easy and very quick to install but the rear wheel arches, while well within the capabilities of the average  fair amount of time to really get them right.

Basic Hand tools required. Pliers, tack hammer or similar required to clinch 'Veltex' fasteners into footwell carpets. Upholstery adhesive (aerosol or brush-on) required for sills, rear wheel arches etc., plus possibly a craft knife to carry out any slight adjustment while contouring the rear wheel arch pieces that might require it.
